all the organizations, businesses and individuals  
that have supported this program.*

## *The Purpose of the Delano Area Scholarship Association*

Community members from the Delano-Loretto area have recognized the need for a local scholarship program to encourage and promote higher education for our students. To help meet this growing need, the Delano Area Scholarship Association was formed. Delano Area Scholarship Association is a community-based volunteer organization which works to:

- Recognize our students' achievements in school and the community
- Increase the amount of money available to local students
- Coordinate and administer a local non-profit scholarship program
- Demonstrate commitment to our young people

Volunteers are the heart of the Delano Area Scholarship Association and we are in need of new members to keep this organization active. Please contact one of the committee members if you are interested in volunteering. DASA meets the first Monday of each month at 6:30 p.m. at the high school.

*Our best wishes to the Seniors  
on all your future plans.*

At the time this program was printed, we may not have received all donations. If your name is misspelled, you were listed improperly, or you were missed completely, we sincerely apologize. We make every effort to print this program as accurately as possible.
