407 Use of Non-Resident Agreements

I Purpose

Non-resident agreements may be utilized from time to time to admit students to Delano Public Schools when open enrollment procedures do not.

III. Procedure

Non-resident agreements may be used as follows:

1. To admit non-residents who have been attending non-public schools within the district at grades seven or nine so that non-resident students can move to the public schools along with their classmates.
2. To admit a non-resident student who has a sibling already in attendance at Delano Public Schools.
3. A Non-resident student who is currently enrolled at Delano Public Schools and moves to another residence outside the school district.
4. To admit a non-resident student whose family is purchasing a home occupied by a student who is currently enrolled at Delano on a non-resident basis (or open enrolled).
