Purpose

Section 1. Parties: This agreement is entered into between Independent School District No. 879, Delano, Minnesota, hereinafter referred to as the School District and the Delano Public Schools Principals' Association, hereinafter referred to as the Exclusive Representative pursuant to and in compliance with the Public Employment Labor Relations Act of 1971, hereinafter referred to as PELRA, to provide the terms and conditions of employment for principals during the duration of this agreement.

Section 2. Recognition: In accordance with the PELRA, the School District recognizes Delano Public Schools Principals' Association as the Exclusive Representative of Principals, Assistant Principals, and Activities Administrator, employed by the School District, which Exclusive Representative, shall have the rights and duties as prescribed by the PELRA and as described in this Agreement. Unless otherwise noted, principals shall include all members of the association.

Section 3. Appropriate Unit: The Exclusive Representative shall represent all the principals of the School District as defined in this Agreement and in said Act.

ARTICLE II

Assorted Provisions

Section 1. Duty Days: The School District shall, prior to April 1 of each year, establish the number of school days a principal shall perform services on those days as determined by the School District, including those legal holidays on which the School District is authorized to conduct school, and pursuant to such authority has determined to conduct school. No adjustments will be made if the school term is set below the established duty days.

All Principals – 210 Days

Section 2. Grievance Procedure: The School District and principals shall recognize the grievance procedure as promulgated by the Director of the Bureau of Mediation Services pursuant to M.S. 179A-04.

Grievance Procedure

The District and the Association desire that each employee have a means by which grievances may be given timely, fair and continued consideration until resolved. A grievance shall be defined as any controversy arising over the interpretation of or adherence to the terms and provisions of this Agreement and all disciplinary actions. Unless otherwise modified herein, all terms shall be defined as provided in the procedure promulgated by the Bureau of Mediation Services. The parties agree that all notices and submissions in this article may be made by email (electronic filing).

- A. **TIME LIMITATION AND WAIVER:** Grievances shall not be valid for consideration unless the grievance is submitted in writing as outlined in this grievance procedure, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty (20) days after the event giving rise to the grievance occurred. Written notice by the employer or its designee to an employee giving notice of prospective action shall constitute one such event giving rise to a grievance. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance.
- B. **ADJUSTMENT OF GRIEVANCE:** The employer and the grievant shall attempt to adjust all grievances which may arise during the course of employment of any employee within the school district in the following manner:

Step 1:

The employee will informally discuss the grievance with his/her immediate supervisor.

Step 2:

- a. If the grievance is not resolved at the time of the Step 1 informal discussion, it shall be reduced to writing and submitted to the supervisor. The written grievance shall set forth the nature of the grievance, the specific facts giving rise to the grievance, the specific provisions of this Agreement allegedly violated, and the specific remedy sought. The written grievance must be submitted within twenty (20) working days after the event giving rise to the grievance.
- b. Within ten (10) work days after submission of the written grievance, the supervisor shall answer the grievance in writing. If the written answer is not accepted, the grievant or the grievant's representative may request a meeting to consider the grievance. This meeting shall be scheduled among representatives of the District and the grievant or the grievant's representative within five (5) days of the date of the request for such a meeting.
- c. Within ten (10) work days following the Step 2 meeting, the District shall submit a written reply to the grievant or the grievant's representative. If the District fails to reply in writing, the grievance shall be deemed to be denied, and the grievant or the grievant's representative may request arbitration in accordance with Step 3 of this procedure.

Step 3:

If the grievance is not resolved in Step 2, the grievant or the grievant's representative may refer the matter to arbitration. Any request for arbitration shall be in writing and must be received by the other party within ten (10) work days following receipt by the grievant or the grievant's representative of the District's written reply to the grievance. The District and the grievant or the grievant's representative may select a mutually acceptable arbitrator. If not able to do so, either party may request a list of five (5) names of qualified arbitrators from the Bureau of Mediation Services, State of Minnesota. The District and the grievant or the grievant's representative shall determine who is to strike the first name from the list by the toss of a coin. Each party will then alternately strike names until only one remains, who shall be the arbitrator who shall hear and decide the grievance. The arbitrator shall not have the power to modify in any form whatsoever any provision of this Agreement but shall make a final and binding decision. Fees and expenses of the arbitrator shall be divided equally between the District and the grievant or the grievant's representative. The time limitations set forth herein relating to the time for filing a grievance and demand for arbitration shall be mandatory. Failure to follow said limitations shall result in the grievance being waived and it shall not be submitted to arbitration.

In the event the District does not reply to the grievance as required in Step 2, and the time limits contained therein are not extended by mutual consent, the grievance shall be deemed denied and referred to the next step. The time limitations provided herein may be extended by mutual written Agreement of the District and the grievant or the grievant's representative. Nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a Charge of Discrimination, including, but not limited to, those Charges of Discrimination brought under Title VII, the Americans with Disabilities Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

Section 3. Legal Counsel: Upon the written request of a principal against who claim is made or action is brought for recovery of damages in any tort action involving physical injury to any person or property or for wrongful death arising out of or in connection with employment of such with the School District, the School District shall provide legal counsel in accordance with Minn. Stat 466.07.

If a principal, while acting in a legal authorized manner as a principal in the District, is complained against or sued, the District will provide legal counsel and render all necessary assistance to the principal in his/her defense. It shall be the responsibility of the principal to bring any such complaint to the attention of the District in writing. Reimbursement for legal expense incurred before the District is so notified shall be at the discretion of the District.

Time lost by a principal in connection with an incident mentioned above shall not be charged against the principal.

Section 4. Professional Dues: Professional principal state and national dues shall be paid in full by the School District at the rate of one national and two state per principal.

Section 5. National Conferences: The School District shall pay all legally valid expenses and fees for attendance at professional conferences and meetings with other educational agencies when attendance thereof is required, directed, or permitted by the School District. Each principal and Activities Administrator shall have the option of attending a national education conference or convention once every three years based on the following rotation schedule: High School, Middle School, Elementary School. Normal expenses will be covered; however, the District must give the final approval for the specific convention or conference.

Section 6. Vandalism: The District will pay up to \$250 of the deductible on home or auto insurance for each incidence of school related vandalism.

ARTICLE III

Compensation

Section 1. Salaries:

Subd. 1. Base Salary:

Asst. Elementary Principal	\$69,289	\$71,074

Asst. Middle School Principal	\$78,974	\$81,007
High School Principal	\$95,807	\$98,274
Asst. High School Principal	\$82,077	\$84,191
Activities Administrator	\$77,910	\$79,916

Salary when hired: At the time of initial employment, the base salary of a principal, assistant principal or activities director will be as agreed between the School District and employee within a prescribed range of 95% to 105% of the current administrative position base salary. The school district reserves the right to fill all positions with the person it determines to be best qualified for the position or for any other reason.

Subd. 2. Career Increments:

As part of the salary package principals will receive a yearly career increment based on their years of experience as an administrator in the school district using the following formula:

4 or more years	\$4000
8 or more years	additional \$4,000

Subd.3. Daily rate of pay:

Daily rate of pay will be calculated to include the base salary, a career increment and/or educational degree when eligible divided by the number of duty days in all parts of the contract (holiday pay and personal leave).

Section 2. Extra-Curricular Supervision: A principal assigned to supervise an after school student event will receive \$50 per event. Principals and the Activities Director will submit to the superintendent the estimated number of events they anticipate supervising for the upcoming school year each spring prior to budget development.

Section 3. Holidays: The principal will be paid for 7 holidays each contract year at their daily rate of pay per holiday.

Section 4. Automobile: In lieu of mileage the principal will be compensated \$2,900 for the 2014-2015 school year and \$2,900 for the 2015-2016 school year. Assistant Principals and the Activities Administrator will claim their school related mileage and submit for reimbursement at the current IRS rate.

Section 5. Educational Degree: Each principal with a Ph.D. or Ed.D. degree will receive compensation of \$4,000.

Section 6. Principal Incentive: Each year principals will have an opportunity to earn up to an additional \$5,000.00 per year for achieving annual goals. Assistant Principals and Activities Administrator will have an opportunity to earn up to an additional \$2,500 in year 2014-2015 and will have an opportunity to earn up to \$2,500 in year 2015-2016 for achieving annual goals. The incentive plan shall be administered and executed as follows:

- Prior to the beginning of each school year, the superintendent will meet individually with each principal to determine goals for the ensuing academic year. During this meeting the principal will bring a draft of goal statements. The superintendent may refer to notes from previous evaluations. During this discussion, the principal and superintendent will develop three (3) to four (4) goals. These goals will be the basis for the yearly incentive review process.
- Assistant Principals and Activities Administrator will meet with their direct supervisor to determine goals for the ensuing academic year. The direct supervisor will review and approve the goals set forth.
- Goals shall be determined according to the following criteria:
 - each goal should be time specific;
 - each should be stated in a concrete manner;
 - each should be observable and measurable; and
 - each should be relevant to the needs of the school and/or professional growth of the principal.
 - each goal shall be within the principal's ability to complete. If such goal is later determined to be unobtainable, due to reasons beyond the principal's control (such reasons may include, but not be limited to, staffing issues, financial reasons, etc.), principal and superintendent shall meet to discuss the feasibility of such goal. If it is mutually agreed by principal and superintendent that the goal cannot be achieved, goal may be redefined to make such goal obtainable. If it is determined that the goal will never be obtainable, a new goal may be created to replace it.
- Each goal shall be assigned "performance points" so that the total points for all goals total 10. Points shall be assigned according to the relative importance of each goal (weighting). For example, if 4 goals are set for the year and each is deemed of equal importance, each goal would be assigned 2.5 points for a total of 10 for all goals. If one goal is considered more critical than the others, it would be weighted higher and might be assigned 4 points and the other 3 goals might be assigned 2 points each, again to total 10. The same process would apply regardless of the number of goals set for the year. If only one especially critical goal is set for the year, it would be assigned 10 points.
- In June of each year, performance points will be awarded to each goal. If the goal is totally accomplished, the total number of points assigned to that goal will be awarded. If the goal is partially accomplished, then less than the total number of points will be assigned to that goal. For example, if a certain goal is assigned 4 points and that goal is fully accomplished, 4 points would be awarded. If the goal is deemed to be partially accomplished 0, 1, 2 or 3 points would be awarded to that goal depending on the degree to which the goal was accomplished. This process will be followed for each of the goals, and a total score will be determined by adding the number of points awarded for each goal.
- Once the total number of points is determined, this number shall be converted to a percentage. If the total number of earned points is 8, then the earned percentage would be 80% (8/10). By way of

example, a \$4,000.00 bonus incentive would be multiplied by 80% to determine the cash pay out. In this example, the pay out would be \$3,200.00.

- After the goals have been determined, the superintendent shall communicate and discuss the goals for each principal with the Administrative Committee of the school board. The Administrative Committee chairperson will be responsible for presenting the goals to the full school board.
- No later than the last day of February, the superintendent and principal will meet to discuss progress toward the goals. At this time, the superintendent will write a summary statement of progress and provide it to the principal and to the Administrative Committee of the school board.
- In June, the superintendent and principal will meet for a final year-end conference. The principal will bring to the meeting evidence of goal completion. The superintendent will write a summary evaluation of the principal's achievement in meeting the agreed upon goals. After this meeting, the superintendent will meet with the Administrative Committee of the school board to determine the amount of incentive compensation earned in relation to goal achievement. The chairperson of the Administrative Committee shall be responsible to present the recommendations to the full school board. After this meeting, the superintendent will communicate the amount of incentive compensation earned and the associated rationale to the principal.
- Any earned incentive compensation is to be paid by June 30 of each year contingent upon each principal submitting to the superintendent all required forms and reports regarding the incentive goals for the year by the end of the first full calendar week in June.
- All principals will receive the base contract salary as defined in the current contract. There will be no reduction of base salary for principals who do not achieve their stated goals.

Section 7. Responsibility Stipends: Stipends will be given to principals who are responsible for the following two areas: District Curriculum Coordinator - \$1,500 and District Assessment Coordinator (DAC) - \$1,000. This stipend will be paid out on or before June 30 of each year; pro-rata for partial year worked.

Section 8. Cell Phone Stipend: The School District shall provide each Principal, Assistant Principal and Activities Administrator with a \$600 annual cell phone stipend paid through accounts payable. A copy of the monthly bill is required for documentation of the Principal's expense of his or her cell phone. If the Principal chooses to remain on the School District cell phone plan, the stipend is null and void.

For deaths outside the immediate family, leave may be granted at the discretion of the superintendent.

Section 5. Sabbatical Leave:

Subd. 1. A sabbatical leave may be granted to principals in the School District for the purpose of professional improvement subject to M.S. 122A.49.

Subd. 2. To be eligible for sabbatical leave an individual must have been employed at least six (6) years in the School District.

Subd. 3. Sabbatical leave for study shall be limited to an individual centering his study in his area of employment in the School District and shall not be used for retraining in a new area unless at the request of the School District.

Subd. 4. The proposed program of study must be approved in advance by the superintendent of schools and the School District and such program of study shall be in formal educational course credits.

Subd. 6. The number of principals on sabbatical leave shall be limited to one principal in any one year. The granting of sabbatical leave, however, is purely within the discretion of the School District and the School District reserves the right to refuse to grant any and all sabbatical leaves, if, in the judgment of the School District, such leaves should not be granted.

Subd. 7. If the principal's service is discontinued for any reason other than the individual's incapacity determined by the physician or by discontinuance of position by District action pursuant to this Agreement, before the expiration of the two (2) years, he shall pay back to the School District, in full, the sabbatical allowance which was provided.

Subd. 9. The application for a sabbatical leave shall contain a detailed description of the intended activity and expected benefit to the School District, including, but not limited to, the institution where study will take place, courses and number of credits to be carried, and all other details surrounding the program.

Subd. 10. The District may grant sabbatical leave upon the condition that a satisfactory substitute can be secured by March 1 of the school year preceding the year for which leave is being requested.

Subd. 12. A principal is eligible to continue his group insurance benefits, including District contribution pursuant to Article VIII of this Agreement, providing the principal makes arrangements to remit to the School District the principal's share, if any, of any premiums on such benefits, as due.

Subd. 13. Status: Unless specifically provided otherwise herein a principal on leave of absence shall retain such amount of sick leave days, experience credit and other accrued benefits which he had accrued, if any, at the time he went on leave for use upon his return.

Section 6. Workers Compensation:

Workers Compensation Act by the principal and the principals regular rate of pay to the extent of the principal's earned accrual of sick leave.

Subd. 2. A deduction shall be made from the principal's accumulated vacation or sick leave accrual time according to the pro rata portions of days of sick leave or vacation time which is used to supplement workers compensation.

Subd. 3. Such payment shall be paid by the School District to the principal only during the period of disability.
