## A Note From Mrs. Warne

- Reading/math logs go home on Friday and are due the following Friday.
- I recommend students keep an extra snack and empty water bottle in their coat bay.
- Please help your child dress for the weather. We go by the "feels like" temperature for our 11:55 am recess.
- If you are interested in providing a game or craft for the Halloween party and volunteering at it, please email me by October 11.

## A Peek At What We Are Learning

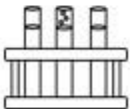

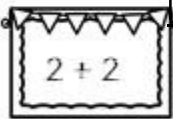

Reading-During the week of October 9 we will be wrapping up *Animal Characteristics*. Our next unit is *Characters Shape Their Stories*.

Writing-The students will be working on different types of writing during the writer's workshop; lists, stories, sketches, speech bubbles, etc.

Math-The students will be taking the unit one math assessments on October 4 and October 5. The results will help us form our math classes so we can start math switch on October 9. More information will be sent home with your child by October 9. Unit 2 will focus on adding and subtracting whole numbers. Please have your child continue to practice their math facts.

SWITCH-The students will start with me for science after MEA break.
